Our DECEMBER IB Learner Profile Trait:

You are a COMMUNICATOR!

COMMUNICATORS:

- Express ideas confidently & creatively.
- Listen actively.
- Collaborate.

In December, We Are Communicators!

Students who are COMMUNICATORS are able to think and communicate in more than one language. They can express their ideas by speaking, drawing and writing. They can also communicate using mathematical language and symbols.

How can parents help to develop students who are Communicators at home?

- Encourage your child to stay in touch with relatives and friends who live in other countries by writing letters, using the phone or sending email.
- When working on mathematics homework, encourage your child to explain his/her answer to you orally or by drawing a picture.
- Ask your child thought provoking questions and encourage them to discuss them with you. For
- Example:
 - What would you do if you were scared of someone at school?
 - Is there anything you cannot buy with money?
 - Should you get an allowance? Why or why not?
- Work with your child to improve his/her listening skills. Being a good listener is an important part of communicating with others.

Do NOT Disturb!

The Purpose: Encourage fewer disruptive behaviors in all spaces throughout the building, and decrease Office Discipline Referrals.

When: This challenge will begin Monday, 11/28 and continue through 12/19.
