Thank you all for a great school year!!

Just a few items for all of our returning & new students to keep in mind!

IF your child's computer is not working or needs some type of repair, you need to reach out to our IT Department to set up an appointment for repairs. Please call 708-367-2930 to set up an appointment with IT.
 - *If you are leaving the district, please make sure that you turn-in your computer (to CMMS/Main Office) and charger to avoid a \$275 charge to your account.*

- **Reading & Math Practice:** Students are able to keep up their skills over the summer by practicing online on ACHIEVE 3000(Reading) & ALEKS (Math). Students can log in to both of these awesome resources via CLASS LINK.
- **Final Report Cards:** These will be posted on Family Access Portfolio by the end of next week.
- **Next Year's Scheduling:** Our counselors and administrators are busy putting together next year's schedules. Your child's 23-24 schedule will not appear until August. We will send out a notification once those schedules are posted and ready for you.
