**Week 27: March 8, 2024**

[CMMS Electronic Announcement Board](#)

State testing is coming soon! Please take a look at the letters linked below for more information pertaining to the Illinois Assessment of Readiness. Students will participate in this assessment right after spring break! Today during our core classes students participated in practice tests and teachers reviewed test taking strategies. Students can help themselves grow by daily practice in math on ALEKS and in reading on ACHIEVE. 8th graders will additionally be completing the Illinois Science Assessment during the same testing window. Please reach out to your child's teachers if you have any questions about testing.

**State Testing Information: Please read the attached letters for more information about this year's standardized testing taking place in April 2024. Click blue links!**
