Dear Crete Church,

On behalf of the Crete-Monee School District 201-U, thank you for your generous donations and contributions to the Community Wellness and Resource Fair event in University Park, IL. It was a pleasure to work with local organizations providing the essentials such as coats, clothing, food, and household items to not just students within our school district, but others within the community as well. This was a successful event where the community came together to help those in need.

Thank you again for your contributions to make this event a success and we appreciate your help.

Sincerely,

Corina Posada
