Dear Parents and Guardians,

This document will help you prepare your child to take the MAP Growth test. Please be available at the following times to support your child's testing:

FALL 2020 Testing Window @ CMMS is September 14th-29th
Testing will take place in students' Language & Literature (Reading) and Math Classes.
Make-Up Testing will be arranged for Wednesdays.

What is MAP Growth?

MAP Growth helps teachers understand what students know today, so goals can be set to improve growth throughout the year. **Students cannot pass or fail this test.**

This test will not affect grades. In fact, it's normal for students to only answer about half the questions correctly. **Please don't help them!**

Given the challenges of learning from home, MAP Growth test results are especially helpful for us this year. **These results will help us know what students are ready to learn.**
