Dear Crete-Monee 201U Families,

Greetings! Let me be one of the first to congratulate you and your proud graduate and welcome you to the Crete-Monee High School Class of '23 family! You are now officially a part of the *Warrior Nation*! My name is Taurus Scurlock and I teach both Advanced Placement Seminar and freshmen Social Studies in addition to coaching freshman football at the high school. This summer, I will also serve as the Coordinator for Summer School at CMHS. You are receiving this letter because your child is an incoming freshman at CMHS. We at CMHS understand that the promotion from middle school to high school can be a difficult transition for some students as they must adapt to a new learning community, larger facilities, new staff, and added responsibilities. To that end, we have created a free course for in-district students that will benefit your child during their high school career and beyond! The course is entitled: ***Heading into High School with a Purpose.***

This course is not *required* and it carries *no graduation* credit, but it has a short term objective of ***adequately*** preparing your child for the major adjustment from middle school to high school. In addition, the long term objectives of the course are goal setting, developing strong work habits, and college and career planning. The course is offered in the second session of summer school and is slated to meet **Monday-Thursday July 8th-July 25th from 8:00 am-1:00 pm**. Research has proven that a great freshman year in high school is a great predictor of high school graduation! We at CMHS hope you consider enrolling your child in this learning opportunity.

Once again, congratulations to you and your child on a successful middle school career! The goal of CMHS is to guide your young scholar to the next level of academic success! If you have any questions, please feel free to contact me at my email address scurlockt@cm201u.org or feel free to call me at 708-367-2882.

Regards,

Taurus Scurlock
